- (c) The School defaults in any of the terms, conditions, promises or representations contained in or incorporated into this Contract;
- (d) The School amends its Articles of Incorporation and/or Bylaws at any time without first obtaining SAM's written approval;
- (e) SAM discovers negligent, fraudulent or criminal conduct by any of the School's applicant(s), directors, officers, employees or agents in relation to the school's performance under this Contract; or
- (f) The School's applicant(s), directors, officers or employees have provided false or misleading information or documentation to the Department of Education or SAM in connection with SAM issuance or oversight of this Contract, or in connection with any affidavit that the School requests SAM submit to the Department of Education, or in connection with the School's reporting requirements under this Contract or Applicable Law; or
- (g) Other good cause shown.

Section 10.3. Procedures for Revoking/Terminating or Not Renewing Contract. SAM' process for revoking/terminating or not renewing the Contract is as follows:

- (a) Notice of Intent to Revoke/Terminate or Not Renew. SAM, upon reasonable belief that grounds for revocation/termination or nonrenewal of the Contract exist, shall notify the School Board of such grounds by issuing the School

Board a notice of intent to revoke/terminate or not renew. The notice of intent to revoke/terminate or not renew shall be in writing, shall set forth in reasonable detail the alleged grounds for revocation/termination or nonrenewal, and shall state that the School Board may request in writing, within fifteen (15) business days of receiving the notice, an informal hearing before SAM.

- (b) School Board's Response. Within fifteen (15) business days of receipt of the notice of intent to revoke/terminate or not renew, the School Board shall respond in writing to the alleged grounds for revocation/termination or nonrenewal. The School Board's response shall either admit or deny the allegations of non-compliance. If the School's response includes admissions of non-compliance with the Contract or Applicable Law, the School Board's response must also contain a description of the School Board's plan and time line for correcting the non-compliance with the Contract or Applicable Law. If the School's response includes a denial of non-compliance with the Contract or Applicable Law, the School's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the School Board may request that an informal hearing be scheduled with SAM. The School Board's failure to provide to SAM a written request for an informal hearing within the fifteen (15) business day period shall be treated as acquiescence to SAM proposed action.
- (c) Informal Hearing. Upon receiving a timely written request for an informal hearing, SAM shall give ten (10) business days notice to the School Board of the hearing date and time, and SAM shall conduct such hearing.
- (d) Plan of Correction. SAM shall review the School Board's response and may, in its sole discretion, determine whether a reasonable plan for correcting the deficiencies may be formulated. If SAM determines that a reasonable plan for correcting the deficiencies set forth in the notice of intent to revoke/terminate or not renew can be formulated, SAM shall develop a plan for correcting the non-compliance ("Plan of Correction"). In developing a Plan of Correction, SAM is permitted to adopt, modify or reject some or all of the School Board's response for correcting the deficiencies outlined in the notice of intent to revoke/terminate or not renew. SAM is not obligated to offer a Plan of Correction to the School.
- (e) Withdrawal of Notice of Revocation/Termination or Nonrenewal. SAM may withdraw its notice of intent to revoke/terminate or not renew if SAM determines any of the following: (i) the School Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the notice of intent to revoke/terminate or not renew has been corrected by the School Board; or (iii) the School Board has successfully completed the Plan of

Correction.

- (f) Effective Date of Revocation/Termination or Nonrenewal. If SAM decides to revoke/terminate or not renew the Contract, the revocation/termination or nonrenewal shall be effective on the date of SAM's act of revocation/termination or nonrenewal, or at a later date as determined by SAM, such date specified by SAM in its determination of revocation/termination or nonrenewal. SAM must take final action regarding revocation/termination or nonrenewal no later than twenty (20) business days: (i) before the specified date for revocation/termination or nonrenewal of the Contract, or (ii) the Contract's termination date.

Section 10.4. Dissolution. If this Contract is revoked/terminated, or if this Contract is not renewed pursuant to this Article, the School will dissolve following the process provided by Minn. Stat. Ch. 317A and Applicable Law relating to dissolutions and Exhibit L.

Section 10.5. Distribution of Property Upon Termination of Contract. In the event of dissolution of the School, all property which it might lease, borrow or contract for use, shall be promptly returned to those organizations or individuals from which the School has leased or borrowed the materials.

Section 10.6. Property Owned by School. All property which has been purchased by the School will remain its own. In the event of subsequent dissolution of the School, such property as may be required or permitted by Applicable Law will first be donated to other charter schools authorized by SAM and if no SAM School wants such property, then to any other Minnesota Charter School. Any remaining property will then will be sold or distributed in accordance with Applicable Law.

Section 10.7. Property Owned by School Employees. All property personally and/or individually owned by the trained and licensed teachers or staff employed by the School, shall be exempt from distribution of property and shall remain the property of the individual teachers and staff. Such property includes, but is not limited to, albums, personal mementos and other materials or apparatus which have been personally financed by teachers or staff. Such property does not include lesson plans and related materials developed and produced by School employees to implement the School's academic plan and curriculum; the School will ensure that its employment agreements document that such property is School property.

ARTICLE XI

ADDITIONAL PROVISIONS

Section 11.1. Contract Renewal or Transfer to Different Authorizer.

(a) Contract Renewal.

1. Considerations Determining Renewal. The School acknowledges that improving all pupil learning and all student achievement is the most important factor SAM will consider in determining Contract renewal, which determination shall be based substantially on the School's attainment of its academic outcomes/goals identified in Exhibit F. SAM will also consider any compelling evidence of improved pupil learning and student achievement for all students on Department of Education measures other than the attainment of outcomes/goals specified in Exhibit F.

SAM will consider other factors in its renewal determination, which factors are considered secondary to improving all pupil learning and all student achievement. Specifically, SAM will consider the achievement of any additional identified purposes specified in Exhibit D, and financial and operational performance obligations and compliance with Applicable Law as set forth in this Contract.

The School will be eligible for renewal only if the School has improved all pupil learning and all student achievement for all students, notwithstanding superior performance in financial, operations, governance, or legal compliance factors.

If SAM offers a renewal contract, a five-year term will be awarded only if warranted by School performance: the School has improved all pupil learning and all student achievement, the School has met or substantially met its academic pupil performance outcomes/goals in Exhibit F, the school has no significant financial, operational, governance, or legal compliance deficiency, or multiple deficiencies in any of the financial, operational, governance, or legal compliance areas, or deficiencies in multiple areas.

2. Considerations Warranting Nonrenewal. Nonrenewal is warranted based on the existence of grounds identified in section 10.1 or 10.2 or Applicable Law, notwithstanding the existence of improved pupil learning and student achievement for all students. For example, nonrenewal will result from the School's failure to improve all pupil learning and all student achievement notwithstanding superior performance in financial, operations, governance, or legal compliance factors, and nonrenewal may

result from the School's improvement of all pupil learning and all student achievement combined with a significant financial, operational, governance, or legal compliance deficiency, or multiple deficiencies in any of the financial, operational, governance, or legal compliance areas, or deficiencies in multiple areas.

3. Corrective Action Renewal. If the School has improved all pupil learning and all student achievement, but School performance also indicates the existence of a significant financial, operational, governance, or legal compliance deficiency, or multiple deficiencies in any of the financial, operational, governance, or legal compliance areas, or deficiencies in multiple areas, SAM may, but is not obligated to, renew this Contract. If SAM renews the Contract in these circumstances, the renewal is for corrective action with a term not to exceed three years, and the School acknowledges and agrees that the School must continue to improve all pupil learning and all student achievement and must eliminate and resolve the deficiencies causing the Corrective Action Renewal and that no additional deficiencies are created or identified during that renewal term, in order to be eligible for a subsequent renewal.
4. Application. By September 1st of the school year in which this Contract terminates, the School will submit an application to SAM which shall contain three parts: (1) School Performance. An analysis and evaluation of the School's performance under this Contract, which shall include a comprehensive evaluation of each contract goal for each year of the contract, as well as an evaluation of fiscal, operational, and governance performance during the term of the contract; (2) Proposed Goals. A proposal for goals for the following contract period; the goals must be specific, measurable, achievable, relevant, and time-bound, and must be designed to meet or exceed expectations adopted by the Commissioner for public schools; and (3) Other Information. Any other information the School desires SAM to consider. The School agrees to provide to SAM documentation supporting the School's evaluation if requested by SAM.

SAM will notify the School within four weeks of receipt of the School's external audit (final, not draft) for the most recently completed fiscal year as to whether SAM intends to offer a renewal charter contract.

- (b) Transfer to Different Authorizer. SAM must consent to the School's transfer to another authorizer. If SAM consents to the School's request to transfer to a different authorizer, the School agrees to reimburse SAM for any authorizer fees waived or not paid, grants provided by SAM to the School, and all training and professional development provided to the School by a third party but paid by SAM. This provision does not apply if SAM requests that the School transfer to another authorizer.

Section 11.2. Insurance. The School Board shall secure and maintain in its own name as the "first named insured" at all times the following insurance coverages:

- (a) workers' compensation insurance to include coverage A;
- (b) insurance covering all of the School's real and personal property, whether owned or leased;
- (c) insurance required by Minn. Stat. 466.04, including a minimum of commercial general liability insurance in comprehensive form, bodily injury and property damage combined of one and a half million dollars (\$1,500,000) per occurrence and personal injury of one and a half million dollars (\$1,500,000) per occurrence; and up to three million dollars (\$3,000,000) per occurrence for the release or threatened release of a hazardous substance; and if not included under its general liability coverage, additional coverages as follows: minimum automobile liability insurance coverage, bodily injury and property damage, of one million dollars (\$1,000,000) per occurrence if the School owns or operates motor vehicles; officer and employee errors and omissions/professional liability of one and a half million dollars (\$1,500,000) per occurrence; and employee dishonesty insurance of five hundred thousand dollars (\$500,000).

The insurance must be obtained from a financially responsible licensed mutual, stock, or other responsible company licensed to do business in the State of Minnesota. The School may join with other charter schools to obtain insurance if the School Board finds that such an association provides economic advantages to the School, provided that each School maintains its identity as first named insured. The School shall have a provision included in all policies requiring notice to SAM, at least thirty (30) days in advance, upon termination or non-renewal of the policy. In addition, the School shall provide SAM or its designee copies of all insurance policies required by this Contract, if requested by SAM. SAM may periodically review the types and amounts of insurance coverages that the School secures.

The above-stated coverage limits shall be issued and maintained as indemnity limits and shall not be reduced by any applicable insurer defense obligations. The Department of Education may suggest or Applicable Law may determine alternative amounts and terms of any deductible or insurance provisions, which shall supersede the foregoing requirements. The School shall provide the Department of Education with any insurance information, as requested.

The School may expend funds for payment of the cost of participation in an accident or medical insurance program to insure protection for students while attending school or participating in a school program or activity.

Section 11.3. School Lease. The School shall provide to SAM a copy of its lease, and any subsequent amendment(s), or deed for the premises in which the School shall

operate within fourteen (14) calendar days of execution. The school will provide to SAM any notice of lease termination within five (5) calendar days of receipt. The School may lease space from any independent or special school board eligible to be a charter school authorizer, other public organization, private nonprofit institution organization or private property owner, as it deems necessary. The School may lease space from a sectarian organization as allowed by Applicable Law.

Section 11.4. Occupancy and Safety Certificates. The School Board shall: (a) ensure that the School's physical facilities comply with all fire, health and safety standards applicable to schools; and (b) possess the necessary occupancy and safety certificates for the School's physical facilities. The School Board shall not conduct classes until the School has complied with this section. Copies of such certificates shall be provided to SAM before the first day of classes, if requested by SAM.

Section 11.5. Legal Liabilities. SAM does not assume any obligation with respect to any director, employee, agent, parent, guardian, student, or independent contractor of the School. The School acknowledges and agrees that it assumes full liability for its activities and that the Commissioner, SAM, officers and members of the Board of SAM, and employees of SAM, are immune from civil and criminal liability with respect to all activities related to the School, pursuant to Minnesota Statutes Section 124E.09 Sub. (d), and nothing in this Contract is intended to affect such immunity.

Section 11.6. Indemnification of SAM & Commissioner. Notwithstanding Section 11.5, the School agrees to indemnify and hold harmless SAM and its officers, board members, employees, agents or representatives, and to indemnify and hold harmless the Commissioner and Department of Education officers, agents, and employees notwithstanding Minn. Stat. section 3.736, from all suits, claims, demands, or liability, including attorney fees, and related expenses, which arise out of or are in any manner connected with the School's operations or which are incurred as a result of the reliance of SAM upon information supplied by the School, or School Board and its agents or employees, or which arise out of the failure of the School to perform its obligations under this Contract or which arise out of SAM's exercise of its obligation under Applicable Law or enforcement of this Contract.
